

VIGNERON COLLECTION

2019 KRAFT SAUVIGNON BLANC

WINEMAKING

2019 was a challenging vintage with a hot, dry growing season. These hot drought conditions eliminated excessive vigour and disease problems, and resulted in lower than average Crops. Summer and early Autumn were unusually dry, requiring supplemental irrigation to all vineyard sites. The low disease pressures associated with dry, warm conditions coupled with the cool night-time temperatures allowed the vines to produce fruit with exceptional character and flavour generally producing vibrant, balanced styles.

TASTING NOTES

APPEARANCE

Very Pale Straw

BOUQUET

A tropical bouquet bursting with the aromas of passionfruit, guava and paw paw, accented with the fragrant lift of Kaffir Lime, jasmine and sweet Thai Basil.

PALATE

The palate is finely textured with crisp acidity. Sweet flavours of passionfruit and lychee are perfectly balanced and complemented by the tartness of fresh lime and lemon juice and a hint of herbaceous elderflower.

The palate is beautifully finessed with crisp acidity and a slate-like minerality which adds a degree of subtle sophistication and quiet elegance to a variety usually revered for its overt sweetness and brash pungency.
