

GRANT BURGE
HONOURING THE 1865 PIONEER

The story of Grant Burge is one of the past, the present, and the future. Planting their roots in the Barossa Valley in 1865, the Burges began as a family of devoted vignerons. For five generations, they spent their days toiling on the land, understanding the soil, and from it, growing grapes that would become premium wines of today.

VINTAGE CONDITIONS
2020 was a challenging vintage with a hot, dry growing season, resulting in lower than average crops. These dry, warm conditions coupled with the cool night-time temperatures allowed the vines to produce fruit with exceptional character and flavour while being harvested at lower degrees of sugar ripeness, generally producing vibrant, balanced, lower alcohol styles.
