

GRANT BURGE

HONOURING THE 1865 PIONEER

The story of Grant Burge is one of the past, the present, and the future. Planting their roots in the Barossa Valley in 1865, the Burges began as a family of devoted vigneron. For five generations, they spent their days toiling on the land, understanding the soil, and from it, growing grapes that would become premium wines of today.

### VINTAGE CONDITIONS

The 2019 vintage was one of the driest we have experienced. Below average winter rainfall, coupled with a dry spring and summer resulted in naturally lower yields across the vineyards. These conditions resulted in rich and concentrated wines, although low in quantity.

### WINEMAKING

Lower yields have provided this wine with a greater concentration than previous seasons. The typical sweeter fruit has been lifted with silkier yet textured tannins.
