### Grant Burge Nebu Cabernet Shiraz 2019

**94+ POINTS Andrew Calliard 2022** *"Medium deep crimson. Fresh blackcurrant, black berry, dark plum, dark chocolate aromas with herb garden/ chinotto notes. Well concentrated claret style with attractive blackcurrant, blackberry fruits, fine grainy/ touch al dente tannins and underlying dark chocolate/ mocha notes. Finishes cedar firm and inky with very good mineral length. Elegantly styled rather than being overly powerful. Keep for a while and it should develop very well. Drink now – 2032 14.5% alc"*

**95 GOLD POINTS - Halliday Rating - Dave Brooks Dec 2023** *"A blend of 60/40% cabernet sauvignon/shiraz from select parcels of Barossa fruit. Deep crimson with aromas of blackberry, blackcurrant and black cherry cut with hints of spice, mountain herbs, violets, cedar, sage, nutmeg, undergrowth, mint, turned earth and licorice. There's a lovely fruit weight on the palate, pure and graceful with fine, commanding tannins, a sprig of spearmint and a finish that sails off persistently with lingering flavours of blackberry, blackcurrant, cedar and spice."*

**95 POINTS - The Real review - Houn Hooke -11 August 2022** *"Deep dark red with a tinge of purple and a hearty oak-infused bouquet, cassis cabernet aromas shining through as well as smoky/meaty shiraz. It's full bodied and firmly structured with abundant tannins and a firm final grip. Concentrated flavour with a fruit-sweet core and the whole thing is swaddled in a firm wrap of tannin. Excellent wine, long term, with a bright future."*
